Area of Expertise (100 words)			
<p>In solemn reflection, I bid farewell to a legacy not of a life lost, but of a discipline deeply lived— political science, polity, and constitutional studies have not merely been my profession, but my unwavering compass. With rigorous scholarship and strategic foresight, I have decoded the complexities of governance, institutional frameworks, and democratic processes with precision and clarity. My work stands as testimony to a relentless pursuit of constitutional integrity and policy acumen.</p>
